

3 December 1956

*Amended 2101
to contract
CC-1000*

Subject: Factory Training of Customer Technicians

Reference: (a) Contract BC-200

(b) Telecon 30 November 1956, TLB to HL

Dear Sir:

This is to confirm the referenced telecon in which it was agreed that the sale price for the Factory Training of Customer Technicians would be reduced from \$19,154 as presented in our proposal of 28 August 1956 to \$18,980. This decrease in price is due to the change in profit from 10% to 9% which is applicable to the reference (a) contract.

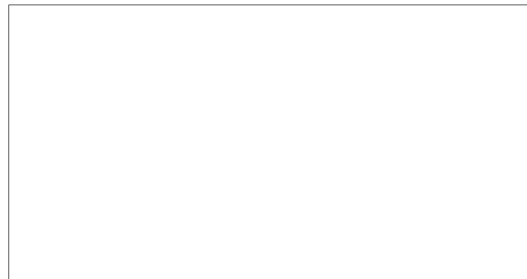

It is requested, therefore, that the subject contract be amended to include the revised price of Factory Training of Customer Technicians for a total price of \$18,980.

Very truly yours,

HYCON MFG. COMPANY

Manager,
Instrument Division
